

You're Invited ...

Greenstone Gold Mines is hosting Community open house events to share information and updates about the Hardrock Project, an open pit gold mine. The Hardrock Gold Deposit is located approximately 275 kilometers northeast of Thunder Bay, Ontario. It is situated in the Ward of Geraldton, which is part of the amalgamated Municipality of Greenstone

The Final Environmental Assessment and Environmental Impact Statement for the project was approved by the federal and provincial governments in late 2018 and early 2019 and we have been working to progress detailed engineering and permitting. We would like to meet with residents and stakeholders in the area to discuss updates to the Project and the advancement we have made over the past year. This will be a combination of a formal presentation and a drop-in style meeting. We are interested in hearing your feed-back and welcome any comments or questions you may have.

**PLEASE DROP BY ONE OF OUR  
COMMUNITY MEETINGS:**

***Geraldton***

Monday December 2nd, 2019

5:00 pm till 7:00 pm
